

INNOVATION SUMMIT

SEPTEMBER 14 - 16 | PHILADELPHIA, PA

This Summit is hands-on and participant-driven for leaders shaping connection, growth, and impact.

If you drive business development, build community partnerships, expand financial well-being, or lead growth in your organization, you'll want to be in the room for this.

THIS YEAR, WE'RE FOCUSED ON:

- Rethinking how we move from activity to impact
- What's working in business and community development today
- Using data and insights to build more intentional partnerships
- Expanding access through employer and community ecosystems
- Turning insights to action through real world application
- Learning from peers doing the work
